The Epworth Stock Company in "The Harry Flag."

Being a conception, dramatic in execution and utterly interesting throughout, the plot of "The Harry Flag" is presented by the local company at the auditorium in Friday evening April 10.

Although a war story, many pretty scenes are shown by the company, and it is here mentioned that the local company is a class to themselves, and the scenes shown by the company have been chosen to local companies by traveling stock companies.

The opening scene of the play is a scene in the main hall of the day. The captain of company A is captured by the enemy. The two companies are in the hall, the captain of company A is offered the services of the enemy. The captain of company A is offered the services of the enemy. Epworth League Entertains.

The Senior Epworth League entertained its members and friends last Friday night at the home of Dr. and Mrs. R. V. Atkinson. An interesting program, consisting of readings, vocal and instrumental music, was carried out. The dialogue rendered by Misses Maggie Holmes and Annie Belle Lyle and J. D. Henry was especially amusing.

A very spirited contest called "The Five Senses" was engaged in. Maggie Holmes and J. D. Henry won the prize, which was a bouquet of beautiful roses. Delicious refreshments consisting of ice cream and cake were served. This organization is doing good work and is gaining members; their devotional meetings are very interesting. They are anxious for the young people to become interested in league work. All are cordially invited to attend the league meetings every Monday night.

Easter Services at Emerson.

Rev. A. J. Futch preached three very able sermons at Emerson—Saturday night before Easter, and Sunday morning and night. Saturday night's sermon was on the death of Christ, and Sunday morning sermon on the resurrection. The sermon Sunday night was on the ascension.

Brother Futch seemed to be at his best all the way through the meetings, and his sermons were very impressive and highly appreciated. The church was beautifully decorated, the artistic work of the young ladies and gentlemen of Emerson.

Brother Futch understands how to interest his people. J. A. H.

Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism.
